To Whom It May Concern:

I would like to recommend Mr. K.M. Nimesh Sanduneth Bandaranayaka as a perfect candidate for your company/organization.

Mr. K.M. Nimesh Sanduneth Bandaranayaka had been working with me in a JICA-entrusted technical cooperation project from November 2023 to February 2024. During the time, he assisted the operation of the project, consisting of International and Sri Lankan members. His TOR included assisting the team members, graphic designing, assisting administration, translating documents, and so on.

Mr. K.M. Nimesh Sanduneth Bandaranayaka is a very promising youngster, and proved his excellent communication skills both Sinhala and English, and good follow-up skills to ensure that a task gets done. Without his assistance from preparation, implementation until settlement, we could not manage our events successfully.

It should be noted that Mr. K.M. Nimesh Sanduneth Bandaranayaka was always willing to offer assistance and had an excellent rapport with counterparts, employers, and other professional organizations. His ability to effectively communicate with all these people via email, on the phone, and in person did help a smooth operation of the project. As project manager, I acknowledged that he was a great asset for the team. I feel really sorry that the project has been successfully completed, and we could not continue working with him any longer.

He would definitely add values to your company. If you have further questions, please do not hesitate to contact me. I would be frank and open anytime.

Yours truly,

大口 修平
